**Agenda/Discussion:**

Meeting convened at 5:45 PM.

*Donation to Kickapoo Trail Project.* Charlie moved that the club donate \$1000 to the Champaign County Forest Preserve District in support of its Kickapoo bicycle trail project. Seconded by Bob. All aye.

*Membership forms.* Charlie said he needs 25 or more membership forms for the seasonal farmers market at Lincoln Square. Richard said he would provide these.

*Bike to Work Day.* John noted that Bike to Work Day this year will be Thursday May 15th, and that the annual Ride of Silence will be on May 21st. Sue said she would prepare a press release for the Ride of Silence, including the ride's starting time and location.

*Use of listserv to sell personally owned bicycling related items.* Discussion moved to the subject of the club's List Serve and its proper and improper uses. One club member had complained about the advertising of bicycling gear on the list server. One person responding to such a post inadvertently replied to the whole list, rather than just to the person making the post. It was generally agreed that List Serve should not become a forum for the buying and selling of bicycling gear. Lisa suggested opening the web site to such merchandise. Michael said that adding such a function to the web site would require that additional database capabilities be added to the web site--a time consuming chore with an uncertain benefit. Michael noted that the number of posts to sell bicycling related item are less than ten a season, and that this was the first and only complaint over several years. The board's consensus was that we should leave things be and reconsider if more complaints are received.

*Collective email address for PCC board.* Several board members felt that there should be a club email address for which any email sent to that address be forwarded to all board members. Michael agreed to set up info@prairiecycpleclub.org as such an email address.

Next board meeting is scheduled for the third Wednesday of May.

At 6:30 PM Sue moved for adjournment. Second by Michael. All aye.

Respectfully submitted,  
Bob Morris
